Description

"The Sun Dream 28 has the key to blue-water cruising in comfort. The prime-quality of the Sun Dream 28 is her stability, a stability which is evident under sail as an anchor. Her powerful lines reveal her capacity for speed; her ease-of-handling is enhanced by a very pleasant tightness in the sails. On deck; the broad side-decks and the attractive sundeck forward have nothing to envy larger sailboats. The transom extension is not only a performance factor but also constitutes a platform for bathing, coming alongside and boarding." *

Additional information

This boat is a "work in progress", it is fully operational as a sail boat, with good sails and engine, but requires some significant cosmetic attention below decks.

The pictures will give some indication of work required but, although messy, can easily be completed by an enthusiastic amateur

Additional equipment

Full suit of sails including...
Main
Furling No.2 Genoa
Gennaker (North Sails)

VHF Radio

Tak-Tik Cockpit Log, Depth & Wind displays
